## PremiumEventServices

Premium Event Services offers innovative solutions for your meetings which will improve communication, engage participants and deliver your message with greater impact. Everything we do is completely customized and developed specifically for your needs. Here are some ways we can help:

- Content Development
- Program Management
- Business Theatre
- Custom Teambuilding Exercises
- Simulation Exercises
- Instructional Design
- Scavenger Hunts
- Networking Activities
- New Product Launches
- Script Writing
- Training Manual Development
- Professional Speakers & Facilitators
- Trained Product Specialists
- Entertainment
- Complete Event Planning & Production Services
- Complete Meeting Planning & Conference Services
- Complete Destination Management Services

One of our newest and most innovative creations is our proprietary “Challenge for Charity”. PES will customize a teambuilding program for your group and at the same time include a charitable organization of your choice to receive the tangible or economic benefit. Giving back to the community is part of who we are and we are confident that this well thought out event will impress you and your guests.

### who we are

Premium Event Services (PES) has been a leading Corporate Event Production and Destination Management Company (DMC) since 2002. We focus on delivering breakthrough solutions to our clients and we are driven to provide exceptional quality, service and value.

PES is committed to strong client and vendor relationships, a strict set of industry-leading ethical, environmental and professional standards as well as the growth of our employees and partners. PES guarantees that your convention, meeting, conference or special event will be one that attendees will remember for years to come.
