To successfully manage every aspect of your program, Premium Event Services employs a team of highly qualified and experienced producers. Our team of innovators and visionaries are driven to provide our clients with new ideas and cutting edge solutions. We excel at both single-day events and multi-day programs including:

- Conferences, Conventions & Receptions
- Client, Employee & Vendor Appreciations
- Grand Openings & Facility Showcases
- Corporate Anniversary & Milestone Events
- New Product Launches
- Holiday Events
- Awards Presentations
- Company Celebrations & Picnics
- Foundation & Fund Raising Events
- Symposiums
- Political Forums & Events
- Off-Site Events
- Theme Events
- Interactive Events
- Complete Destination Management Services

Because we immerse ourselves in every aspect of your program, we obtain a greater understanding of your expectations, and when your expectations are known, we will exceed them.

who we are

Premium Event Services (PES) has been a leading Corporate Event Production and Destination Management Company (DMC) since 2002. We focus on delivering breakthrough solutions to our clients and we are driven to provide exceptional quality, service and value.

PES is committed to strong client and vendor relationships, a strict set of industry-leading ethical, environmental and professional standards as well as the growth of our employees and partners. PES guarantees that your convention, meeting, conference or special event will be one that attendees will remember for years to come.
